Care

Summer Grief Recovery

Whether you have lost someone to COVID-19 or anything else, this is an especially tough time. Join us for a special virtual Grief Recovery session over the summer. Engage in the content online and then gather to process your loss on Monday nights through August. Click [here](#) for more information.

Our Recovery Communities

Our Recovery Communities (Celebrate Recovery, The Landing and Celebration Place) can connect to our dedicated [Facebook page](#) for connection, content and information.

Our weekly [Celebrate Recovery](#) virtual gatherings on Zoom began with nearly 100 tuning in – all while maintaining safety and anonymity. All are welcome on Fridays at 7pm! (Meeting ID: 965 6355 9262, Password: 576131).

To connect at a CR Open Share Meeting, email celebraterecovery@kensingtonchurch.org.

Students in middle and high school can process life's challenges in a community designed just for them. For more information, email thelanding@kensingtonchurch.org.

Marriage Resources

Your marriage matters to God (and to us!); and we have an army of dedicated volunteers at each campus ready to help. They can listen to what's going on and provide light when things feel dark. But even better, they can be a friend and encourager to help you stay on the right track before things get hard. If you want coaching for your marriage, have questions or just need to talk to someone, contact one of our Campus Marriage Teams listed below.
