Do This! | Color Swirl Activity

What You Need: Milk, food coloring, dish soap, pie pan, cotton swab

What You Do:

- Pour milk into a pie pan.
- Have your children help you add several drops of food coloring, being careful to space them out and not to shake the pan.
- Place some dish soap and the end of a cotton swab and have your child dip it in the pie dish next to a dot of color to see what happens!

- Have your children swirl through the dots of color to create a beautiful rainbow.
- Say: Just like the milk completely changed with the food coloring, Saul's life was completely changed when he met Jesus.

Discuss It!

- What is the craziest thing you've never seen believe to be true? (*Wind, love, tooth fairy, etc.*)
- **Interview Your Parents!** What is the biggest change you've seen in someone because of their faith in Jesus? (*They love people more, they are kinder, tell others about Jesus.*)
- If you could meet Jesus, what would He ask you to do? (*To love people more, call my grandma.*)

Pray It!

God wants us to think of Him as a friend. Fill in the blanks below and then read the prayer to God.

- God, thank You for giving me (three things you are thankful for).
- God, sometimes I mess up. Would You forgive me for (a time you messed up)?
- God, one thing I love about You is (one thing you love about God).
- Thank You for always hearing me when I talk to You, amen.
