Help Bank & Campus Care Providers
In these unfamiliar times if you have questions, need help, or you'd just like to talk to someone, please give us a call. Our Campus Care Providers are ready and available to talk Monday through Friday between 9am-6pm, and we will listen, encourage, and connect you with help (if needed). Our goal at the Help Bank is to support people through the rough spots in life by sharing information and resources about our ministries at Kensington and those available in the community. Whether it's talking you through a tough decision or providing your family with practical resources (or even a gift card for groceries), we're here and ready to help.
