

# Welcome to Kensington Church

October 25, 2020

United | Week 3

## New Series: *How To Take A Hit* | Nov 1-29

Have you felt the bewildering pain of being gut-punched? Has 2020 done that to you? Whether physical or emotional, the blows we experience don't have to take us down. The solution isn't forced optimism though. There are times for honest lament – when our suffering has to be acknowledged and forgiveness embraced. Ultimately, though, when we believe God is good and always with us, we will have the resilience to persevere and to grow. Join us for this five-week series, as we study the rollercoaster life of Joseph who went from favorite son to slave to ruler to prisoner to hero.

## Tickets? Yes, Please!
