

In the popular Christmas song, *The 12 Days of Christmas*, the gifts pile up until there is a menagerie of people, animals, and objects. Skip the “partridge in the pear tree,” and join us for **12 Days of Moving Out** as we share the love of Jesus by serving our neighbors this season.

The 12 Days of Move Out Challenge

Over the next 12 days, choose at least three ways to love your neighbors in the local community and people around the world. Choose from the ideas listed on the back of this card, or come up with unique ideas of your own. Grab your crew and Move Out!
