

Kensington Church's Response to the COVID-19 Situation:

Student Ministries

Week 2 - March 29

Each week we will be providing a link to watch the Middle School or High School theme for the week as well as weekly devotionals that go along with the topic, questions to discuss as a family and a Parent Cue resource. We know that there is a bit more down time and our hope would be to use that time intentionally to connect with each other and with God!
