

The Landing Program for Teens at Kensington Church

Permission form for Meetings

Dear Parent/Guardian,

Your child has been a participant, or is looking to join, the Landing Program for Teens at Kensington Church. The Landing Program is a national recovery program that helps teens deal with the hurts, habits and hang-ups of life.

As we are aware that under the current "Stay-at-Home" guidelines, we are unable to meet at the church. The leaders of the Landing would love to offer a different opportunity for your teen to meet with us and the other students through Zoom. With the support of the church and Celebrate Recovery, we have tested the Zoom program to provide a safe environment for the teens.

We are asking your permission to allow your teen to meet with us on Thursday nights at 7 PM through this online program.

When we are ready to run breakout rooms with the ability to share confidential matters, we will ask for the following items to be used for their safety.

- Your teen will need to wear **headphones/earbuds** and;
- Have a **separate room/ environment** for just themselves.
- We will also ask for a valid **email address** to be able to send them the link for the meeting.

Please print this form and sign it. Then either make a pdf of it to send back to the leader or just take a photo of it and send the photo to the leader.

Thank you for your help in this endeavor.
