

KENSINGTON CHURCH

Baptisms: You're Invited!

Because we can't offer large-scale, in-person baptisms, we're inviting all those being baptized to an offsite location on Saturday, January 23. Baptisms will be recorded and shared during services the following weekend.

Watch the video to find out more and register at kensingtonchurch.org/baptism.

This Weekend: The Last Arrow

Our past doesn't have to define or limit us. When we choose Jesus, we choose the future - and it's full of possibilities! Join us for week three in our series, *The Last Arrow*, based on the book by Erwin McManus.

Groups: Time To Jump In!

The new year is a great time to get connected (or reconnected) at Kensington! That's why we offer community groups, courses, and care initiatives to suit your interests and needs. Most of our groups are meeting virtually beginning in late January - you can jump in from anywhere! We have a few in person options too. Find community in a small or mid-sized group, join a course like Alpha or The Marriage Course, or get support in a care workshop like Grief Recovery or Divorce Recovery. More at kensingtonchurch.org/groups.

Community: Bible studies, book clubs, and community groups for couples, families, singles, men, or women

Courses: Alpha, Financial Peace University, Bible Basics, and [The Marriage Course](#)

Care Initiatives: Celebrate Recovery (adults, teens, kids), Grief Recovery, Divorce Recovery, Blended Families, and [Marriage Resources](#)
