

KENSINGTON CHURCH

This Weekend: Shaking The Family Tree

Join us this weekend for the third part of our series which looks into the turbulent stories of the ancestors of Jesus. We'll be learning about Tamar and how God can make something beautiful out of brokenness. God chose Tamar as an ancestor of Jesus for a reason and we can't wait to see Him reveal more of His redemptive nature this Sunday. *Please be advised that this service is rated PG-10.

In-Person Services

It's been life-giving to be in person for weekend services again. We have discontinued ticketing and masks are optional at all Kensington services, events, and ministry gatherings for kids, students, and adults. Read more at kensingtonchurch.org.

Kensington Kids

If your kids attend KKids, our children's programming for birth-grade 5, you already know that this is not just babysitting. KKids is a time to learn about Jesus, sing songs, connect with friends, and have lots of fun! As things continue to open up, we are committed to providing engaging age-appropriate lessons for our kids attending in person as well as those joining us online! Find out more at kensingtonchurch.org/kensington-kids.

Hope Water Project 5k

Imagine the hope that flows when the harsh, dry earth offers up sweet, clean, water! Kensington's own organization, Hope Water Project, is bringing clean-water wells to remote regions of Kenya. Join us for one of our two 5k events - one at Troy campus on Saturday morning July 31 for all our metro Detroit locations and one at our Traverse City campus the evening of July 21. No matter what speed you walk, jog, or run, this is something you can do to change and save lives! More at kensingtonchurch.org/5k.

Baptism Event | Aug 11, Aug 15

Getting baptized is a way to publicly show your personal commitment to follow Jesus - as people rise up out of the water they are resurfacing with new life in Him! Our next baptism event is a special all-campus gathering on August 11 for our metro Detroit campuses. Birmingham, Clarkston, Clinton Twp., Orion, and Troy campuses will come together as one community to celebrate baptisms outside on the lawn at Troy campus. Traverse City campus baptisms will be held at the beach on August 15. We are so excited to celebrate this step of faith with you! More at kensingtonchurch.org/baptism.

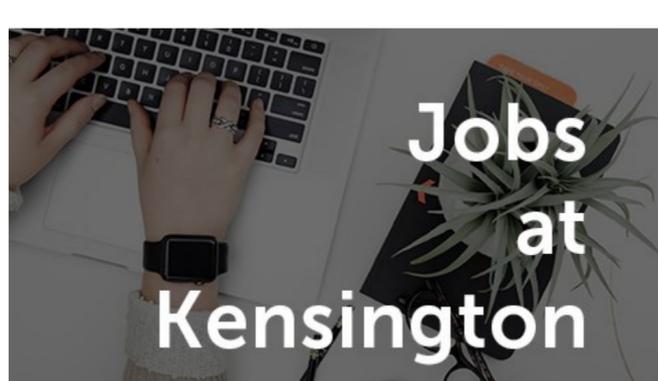

On The Blog: Meet Our School Partners

Our internship season has also come to a close, and former intern, Faith Borowy, put together this story about our School Partners before completing her internship. "The zoom [meetings] I had with our School Partners were incredible! I want to highlight the people who are within the schools and their stories because they are major world-changers!" The value of school has become clear this year, and as it draws to a close, we want to celebrate those who have been on the front lines and behind the scenes. Read it now at kensingtonchurch.org/meet-school-partners.

Rock Your Family | Aug 21

Join us for a new one-day experience on Aug 21 for the whole fam! End your summer with a bang a full day's worth of fun and memory-making! This is your chance to stop running in different directions and to spend some quality time together. You'll hear from inspiring speakers, play hard and/or relax in the sun. Find out more at kensingtonchurch.org/ryf.
