

Dearest 5k and Fun Run Participant-

Thank you for joining us this year at the 7th Annual Hope Water Project 5k and Kids Run. This is our opportunity to come together as a community on mission to provide clean water to the Pokot. We thank you for your continued commitment – you are making an impact!

Information about Packet Pick Up and Race Day (Saturday 7/31) follows.
See you soon!

Fundraise: If every participant raises \$150, we will provide access to clean water for approximately 2,500 Pokot people!

This event is an important part of our journey. Each mile you walk and run matters, to us and to the Pokot. Please consider sharing the story of our Pokot friends, their reality and what you are doing to help change their story.

Setup your fundraising page today if you haven't already and ask your friends and family to consider donating for clean water.

The journey starts here.

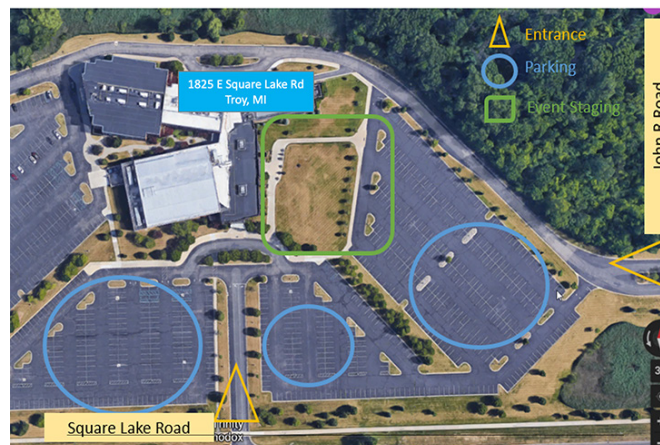

For fundraising page instructions visit our main webpage and click Resources.

Packet Pick Up:

- Packet's will also be available for pickup during the following times:
