ABOUT OAKLAND HOPE

"Motivated by the love of Jesus to alleviate hunger and empower lives" Oakland HOPE operates a food pantry in Pontiac. As the largest food pantry in Oakland County, they have a big job to do! Each month they provide free groceries to more than 12,000 people including families, seniors, and veterans. They also have a Thrift Store with proceeds helping to keep the pantry stocked. And most importantly, they share the love of Jesus – the one true hope that never fails.
