ABOUT WAVE PROJECT

Established in 2018, WAVE Project (Welcoming All Valuing Everyone) was birthed out of multiple conversations with those experiencing homelessness - all describing how hygiene services were inaccessible. A unique mission soon emerged: to share love by providing mobile showers to those in need. WAVE Project now provides 200+ showers and hundreds of clothing/hygiene essentials each month in Macomb, Oakland, and Wayne Counties. According to one homeless Macomb County resident, "It's a morale booster when you feel clean... [mobile showers] are a good investment in humanity, and a good investment in the community."
